

## *SKINCARE*

Daily skin care is as important as any advanced cosmetic procedure. Body Perfect offers top of the line skin care, known as cosmeceuticals. **Cosmeceuticals** are physician formulated skin care products with the highest concentration of active ingredients available without a prescription, including peptides, botanicals, vitamins, anti-oxidants and full spectrum sun protection. Products are customized to fit your personal needs and give you the best skin possible!

### *THE BASICS*

#### *CLEANSER* \$32.00

- **Calming Chamomile Cleanser**- An anti-oxidant botanical wash formulated with Chamomile and Algae Peptides for the most sensitive skin types. Especially good for dry, aging and/or environmentally damaged skin. Use daily in AM & PM.
- **Luxurious Lavender Lave**-A hydrating moisture wash formulated with Lavender, Vitamin E and Aloe to sooth and replenish lost moisture as it cleans. Best for dry, mature skin types. Use daily in AM & PM.
- **Soothing Salicylic Purifier** -A gentle cell anti-inflammatory botanical wash which calms skin irritations and improves fine lines. Highly effective for inflamed Acne and Rosacea. Use daily in AM & PM.

#### *TONER* \$37.00

- **Daily Micro Peel**- This gentle exfoliating micro peel toner combines salicylic and glycolic acids with skin soothing botanicals (Chamomile, Aloe, and Eucalyptus) to keep your skin looking radiant. Made for all skin types. Use daily in AM & PM.

#### *MOISTURIZER*

- **Morning Moisturizer SPF 36** - \$50.00 - This light antioxidant moisturizer gives maximum protection from environmental damage without feeling thick or heavy and with a wonderful light cucumber scent. An array of vitamins, peptides and botanicals blend together to make this moisturizer appropriate for all skin types(Waterproof & Sweatproof). Daily AM use is recommended.
- **Nourishing Night Crème** - \$45.00 - An antioxidant peptide replenisher that boosts collagen production and promotes healthy, hydrated skin. Daily PM use for normal to dry skin types.
- **Age Defense Eye Serum** - \$35.00 - Because the skin in the eye area is thin and delicate, a special moisturizer is recommended for this area. Anti-Aging Eye Serum is VERY special combining antioxidants, vitamins A, E, & C, CoQ10 and Hyaluronic Acid to ease lines and wrinkles, plump sagginess, and restore youthfulness. Use daily AM&PM.
